

GIVE 10

Make a difference.

Share the world with a child.

or want to be sure that their efforts will make an impact. **Give 10** is the answer.

Each of our schools has identified specific ways that members of the community can support students. Through **Give 10**, Fayette County Public Schools has developed a way to match the people who want to volunteer with those requests for help.

Will you consider giving up to 10 hours a month to make a difference in the life of a child?

Our students need you. They need your time. They need your talent. And they need to know that you believe they can succeed.

Your Partner,
Manny Caulk
FCPS Superintendent

*A Letter from
Emmanuel Caulk*

From the moment I set foot in Lexington, I have been impressed with this community's support for our local public schools. Everywhere I go, I meet people who want to help, but either don't know how to get started

Every day in our schools, dedicated volunteers provide meaningful interactions with students and unmatched support for teachers. Whether you want to give an hour a week or an hour a year, there are lots of ways you can get involved!

Here are just a few ways you can help make a difference in the life of a child:

- ♥ *Mentoring students*
- ♥ *Chaperoning field trips*
- ♥ *Tutoring/reading to students who need individual or small group attention*
- ♥ *Supervising students on the playground or in the cafeteria*
- ♥ *Enhancing the language development of students whose native language is not English*
- ♥ *Sharing your expertise with students in class presentation or hands-on activities*
- ♥ *Supporting extra-curricular activities, like clubs, intramural teams or performing arts groups*
- ♥ *Assisting with book fairs, festivals, field days, picture days and other events*

You can volunteer as an individual or as a team – just let us know how you want to help and we'll match you with a school looking for the talents you have to offer.
