This week the Maxwell community will engage in a series of celebrations, recognitions, and unique learning opportunities!

The Kentucky Center for School Safety has designated October 21-27 as Kentucky SAFE Schools Week. Maxwell will share special messages each day that highlight what students can do to be "SUPER". Please see this memo and the handout that your child received on Friday for themed dress options for each day.

On Wednesday, report cards that reflect student progress related to the first nine weeks will be distributed. In the coming weeks you will also receive communication from your child's teacher regarding the scheduling options for conferences.

This Friday is marked with a series of special Maxwell events. The day will start with the monthly celebration of our country of focus and will be followed by award recognitions. The celebration will also include the announcement of the PTA Reflection art contest winners.

Following the ceremony, the Maxwell administration will partner with the Maxwell PTA to host *el Desayuno con los Directores* or *Breakfast with the Principals*. Please join us for this opportunity to dialogue about relevant school topics.

Our extraordinary Friday will conclude with La Noche Latina and an all school dance performance. Please see this memo for details about this special event that this year will also showcase student Reflection artwork.

Speaking of art, Maxwell will host a special reception for our own Gloria Arteaga on Tuesday night to celebrate the opening of her art exhibit. Please see this memo for details about this unique showing.

Thank you to all families for your partnership as we continue to strive to provide the best learning opportunities and outcomes for the students of Maxwell. We continue our journey... *Unidos en una misión hacia la excelencia*
