Del Escritorio del Director

Robert Crawford, Principal

This week at Maxwell we prepare for a variety of family engagement events, recognitions, and special visits from educational partners!

On Monday and Tuesday, the school will sponsor the annual Thanksgiving lunches. Please see the upcoming events area for the designated days for each grade. Lunch times have been adjusted to accommodate seating for family guests. Please see this newsletter and communication from your child's teacher for additional details. We hope that you will be able to join us for this special event!

To commemorate Veterans Day, Maxwell will be embedding related instruction in the classroom. Additionally, Sr. Mato and the WMAX crew will be preparing a special segment for this week's newscast. Please see this newsletter for details about honoring a family member who has served.

On Wednesday, Maxwell will bring awareness to diabetes as we ask the entire school to wear blue in recognition of World Diabetes Day.

Wednesday also brings us the, PTA sponsored, Weird Science Night. Please see this newsletter for details about this annual event that gives students and families the opportunity to engage directly with a variety of science-based activities!

The survey link regarding extracurricular activities has been carried forward for an additional week. Please take some time to provide your feedback.

This week we will also have some visitors from an immersion school in Louisville who will be joining us for some embedded mutual professional dialogue and learning. We are excited to have this opportunity to share and grow with our immersion partners!

Thank you to all families for your ongoing partnership as we continue to strive to provide the best learning opportunities and outcomes for the students of Maxwell. We continue our journey... *Unidos en una misión hacia la excelencia.*

UPCOMING EVENTS

Monday, November 12: Thanksgiving Lunch- Grades K, 2, & 5

Tuesday, November 13: Thanksgiving Lunch-Grades 1,3, & 4

Wednesday, November 14: Wear Blue for Diabetes

Wednesday, November 14: PTA Weird Science Night

Veterans Day

If a member of your family is a veteran, Maxwell would like to honor him or her. Please send a picture of the service member to [Sr. Mato](#) by Monday.

Thanksgiving Lunch

Thanksgiving lunch will be served on Monday, November 12 for students in grades K, 2, and 5. Students in grades 1,3, and 4 will have their meal served on Tuesday, November 13. Families are invited to share in this special meal. Please see communication from your child's teacher regarding specific meal start times. The cost of lunch is \$4.50 for adults and \$2.50 for children. You will be able to purchase your ticket in the foyer on the day of the event.

World Diabetes Day

Maxwell will be commemorating World Diabetes Day on Wednesday, November 14. Students and staff are asked to wear blue on this day. World Diabetes Day is designed to bring attention to the importance of taking intentional actions to confront diabetes as a global health concern.

WMAX News Show

The award-winning WMAX news show is back! The program is produced weekly by students and features special interviews, reoccurring segments, and celebratory information. WMAX is presented each Friday to the entire school. Please take some time to watch the most recent episodes for this year! You can view the program by following this [link](#). New shows are added weekly to the school's website and can be accessed from the front page. Way to go WMAX!

Maxwell Escuela de Inmersión en Español is a learning community committed to equity, proficiency for all, and Spanish language acquisition empowering students for success in a global society.

Maxwell Elementary, Escuela de Inmersión en Español, es una comunidad de aprendizaje comprometida con la igualdad, la competencia académica para todos y la adquisición de la lengua española con el fin de que sus alumnos tengan éxito en una sociedad global.

Extracurricular Activities

During the recent *Breakfast with the Principals* we discussed extracurricular activities and clubs. Maxwell currently offers a variety of activities and clubs that are sponsored by teachers in the school. We are always looking for additional opportunities to offer meaningful educational experiences for students beyond the regular school day. In an effort to identify student interest and family support, we have developed a short survey. Please take some time to complete the interest survey so that we might increase our offerings for the second semester.
