As you read this newsletter, I hope that you and your family are enjoying your last day of spring break. Hopefully, you each found meaningful opportunities to connect and to enjoy this special time together.

With the arrival of April, we enter into the final stretch of the academic school year. In the coming weeks students will have ongoing opportunities to continue to grow and to demonstrate their learning. Please continue to encourage your students as we look forward to finishing the year strong with a refreshed commitment.

Prior to spring break we ended the month with an incentive to celebrate students for exhibiting our school expectations called Cattitudes. In the next few weeks we will implement a similar celebration. We encourage you to take some time during those coming weeks to ask your child about the Cattitudes and to share with you what they look like when they are applied at school.

Looking toward this week, our 4th grade students will participate in their 4-H field trip. Thank you to the school community for your support through fundraising participation!

Moving into the final months of school we have several family engagement activities planned. Specifically, Maxwell has several students who will be honored by the Lexington Legends on a special night for their design contributions to the reading program and a themed giveaway. The Lexington Legends will be working with the school to host this special Maxwell night at the ball park. Additionally, we are finalizing plans for our evening celebration to commemorate being designated Colegio del Año. The Embassy of Spain will be sending representation to this special event. More details about each of these activities will be shared in the next couple weeks.

This month the PTA will be sponsoring the annual Taste of Maxwell. Please see this newsletter for details regarding how you may contribute to class baskets and purchase special t-shirts related to the event.

Thank you to all families for your ongoing partnership as we continue to strive to provide the best learning opportunities and outcomes for the students of Maxwell. We continue our journey ... *Unidos en una misión hacia la excelencia.*

Welcome Back!

Welcome back from spring break! We are looking forward to seeing everyone on Monday at 7:45. We are excited as we look toward a great end of the year!

Afternoon Pick-up

In the afternoon we have noticed an increase in the number of vehicles that pull into the bus lane before all buses have safely left the school grounds. For the safety of the children, please be sure that all buses have departed before pulling into the bus lane. Please also remember not to block neighborhood driveways. We have received notification that this is occurring.

FCPS Family Survey

Thank you everyone who participated in the FCPS Family Survey. Maxwell was able to surpass our participation goal! Thank you for providing feedback so that we can glean important information to help us continue to grow!
