Maxwell ended this past week with outstanding student performances and community celebration!

On Thursday, the Maxwell students in band, chorus, and orchestra presented their final concert for the year. Each group provided an outstanding performance! The growth that occurred over the year was evident as the students engaged with more complex pieces. Congratulations to the students and their musical directors!

On Friday, our 1st grade students opened our monthly celebration by presenting facts about the country of Venezuela. They then sang a song, taking us on a journey to a special wedding attended by admiring animals. Way to go 1st grade!

Lastly, Friday ended with the annual Taste of Maxwell! The beautiful spring weather provided a nice background to this community event that brought together students, families, and Maxwell staff. Many thanks to the Maxwell PTA

for organizing and implementing this cultural fair that unites the entire community through food, music, dance, and games!

Paper invitations for the May 16 Colegio del Año celebration were distributed this week. Please also see this newsletter for an electronic announcement that contains a direct link to the online R.S.V.P. page. Please take a moment to complete at your convenience.

Lastly, as we end this year we start to make preparations for 2019-2020. Please find in this newsletter a link about student placement for next year. Please take a moment to share your feedback.

Thank you to all families for your ongoing partnership as we continue to strive to provide the best learning opportunities and outcomes for the students of Maxwell. We continue our journey ... *Unidos en una misión hacia la excelencia.*

Placement Input

The Parent /Guardian Input Form serves as the official mechanism in which families are able to provide input for the student placement process for the upcoming school year. All forms should be completed and submitted by Monday, May 6, 201. If you are not able to access the online form at home, you may come to the school office to complete your submission. Please see this [link](#) for additional information and the form. We encourage all families in grades K-4 to complete, including those students who might not be returning, so that we have accurate information.

Immunization Updates

Please take some time to send updated immunization records for your child to the school nurse. Thank you for your assistance in helping us to maintain up-to-date health records.

Afternoon Pick-up

In the afternoon we have noticed an increase in the number of vehicles that pull into the bus lane before all buses have safely left the school grounds. For the safety of the children, please be sure that all buses have departed before pulling into the bus lane. Please also remember that the lane is designed for single-parking. We have noted individuals who have been double parking. This has resulted in trapping other vehicles. Thank you in advance for your courtesy and for regarding the safety of students and other families.

THANK YOU

from the Maxwell PTA!
