We have officially arrived at the final week of school for the year! Our mission throughout this year has guided us on a continuous journey toward excellence and new learning opportunities.

As we bring closure to school, please see the *Upcoming Events* section to note the many activities that are scheduled to occur this week. In addition to those items highlighted, please also refer to communication from your child's teacher regarding grade-specific field trips and end-of-the-year parties that will take place over the next few days.

Thank you to everyone who participated in the SBDM election this past Friday to identify the parent representatives for the upcoming 2019-20 school year. Please see this newsletter for the results of the election.

This past Friday our students in kindergarten presented the school's country of celebration and performed a related dance. Our kindergarten teachers then interviewed returning seniors from Bryan Station High School. The seniors

shared their memories of Maxwell and their experience with the Spanish immersion program. Congratulations to our kindergarten students and the graduating BSBS SIP seniors!

Over the summer please look for a mail communication that will detail all the events and procedures for the opening of school. Additionally, supply lists and updated information will be posted online.

Finally, I would like to thank each of you for making this a special year at Maxwell! Collaborating together as an extended educational community we were able to achieve Colegio del Año status. Thank you to all families for your ongoing partnership as we continue to strive to provide the best learning opportunities and outcomes for the students of Maxwell. We continue our journey next year ... *Unidos en una misión hacia la excelencia*. Have a wonderful summer! Nos vemos en Agosto. ¡Somos Maxwell!
