Del Escritorio del Director

Robert Crawford, Principal

We had a great week at Maxwell as students and staff participated in themed spirit wear days to support the PTA Mariposa campaign. Many thanks to the extended Maxwell community for supporting this special week through your active participation and contributions to the campaign! The PTA is still collecting some final donations before an official announcement is shared. Look forward to additional information in the coming days. Thank you everyone for your continuous support of our school!

This week we fully transition to the 2nd quarter. Report cards will be distributed next Monday. Please also look for communication from your child's teacher regarding the process for scheduling fall conferences.

On Monday, 3rd grade students begin the process of taking the CogAT and IOWA assessments. This process will continue next week.

Maxwell is pleased to enter into a second year of archery. A special meeting will be conducted next Monday for interested

families. Please see this newsletter for details about how your 4th or 5th grade student may be part of this experience.

The district is seeking feedback from all stakeholders at each school regarding technology and usage. Please see this newsletter for a link to a survey that you may complete. Thank you for taking some time to provide your input.

A special IC message was communicated earlier this week that shared information about how your student may participate in the special festivities that will occur on November 1st at the Living Arts and Science Center. This year's La Noche Latina for Maxwell has been merged into this local community event. Additional information will be forthcoming.

Thank you for your partnership as we continue to strive to provide the best learning opportunities and outcomes for the students of Maxwell. We are excited for this school year and all the possibilities that it brings because...*Juntos mejoramos el mundo.*

UPCOMING EVENTS

Monday, October 21 & Tuesday, October 22: 3rd Grade CogAT and IOWA Testing

Monday, October 28: Report Cards Distributed

Friday, November 1: La Noche Latina at the Living Arts and Science Center

From the Handbook...

Safety is the priority and we want all students and families to have a safe and positive arrival and departure to and from school. Please see some guidelines below to help.

-When dropping off your child in the car lane, please pull up as far as possible to maximize the number of vehicles that are able to enter the lane.

-For your safety, please observe the no U-turn sign at the drop-off lane.

- We ask that you please only use the designated crosswalk to cross the street. The crossing guard is here to assist to make sure that children and families safely navigate the traffic.

-Maxwell is located at a busy intersection, please be mindful and considerate of the many pedestrians and bicyclists who are traveling through the area in the morning.

-Please be sure not to double park or pull into the drop-off lane from an outside lane.

Archery Opportunity

Once again, Maxwell will be offering an archery club for 4th and 5th grade students who are interested in participating. Practices will be held on Mondays and Wednesdays from 3:00-4:00 beginning the week of November 4. There is a MANDATORY parent meeting in order for students to participate in the club, and two meeting time options will be offered on Monday, October 28. Parents can come from either 3:00-4:00 OR 6:00-7:00 on that date. The meetings will be held in Room 219. If you have any questions, please email Mr. Brewer (adam.brewer@fayette.kyschools.us) or Mr. Cornett (eric.cornett@fayette.kyschools.us).

Desfile de Naciones

Thank you for making the *Desfile de Naciones 2019* a success! A video of the parade has been produced and is now available on the school's website. A direct link to the video is provided [here](#) for your convenience. Take some time to watch the video and to learn about the many heritages and cultures that make Maxwell special!

Maxwell Escuela de Inmersión en Español is a learning community committed to: equity, proficiency for all, and Spanish language acquisition empowering students for success in a global society.

Maxwell Elementary, Escuela de Inmersión en Español, es una comunidad de aprendizaje comprometida con la igualdad, la competencia académica para todos y la adquisición de la lengua española con el fin de que sus alumnos tengan éxito en una sociedad global.

Parent Technology Survey

Please take 5 minutes to help Maxwell make technology decisions. This is an anonymous survey regarding your technology use. It will take approximately 5 minutes to complete. Your answers are very important! They will help Maxwell choose the right technology for the classrooms. Thank you for your time.
