

CELEBRATION OF 100 DAYS

SOMOS MAXWELL

February 2, 2020

Del Escritorio del Director

Robert Crawford, Principal

This past week at Maxwell we brought closure to the month with a variety of targeted learning activities and celebrations. On Monday, classes throughout Maxwell celebrated 100 days of school by engaging in study focused around the number 100. Special activities included: counting/grouping 100 objects, dressing as 100 years old, and making a math wall of multiple equations that result in a sum of 100.

On Friday, the entire Maxwell community came together to celebrate our country of focus and to recognize student achievement. Our 3rd grade guided us through a presentation of El Salvador and then treated the audience to their musical rendition of *La Feria del Maestro Andrés*. The ceremony continued with recognitions of student achievement in the following areas: Distinguished in KPREP (all assessments), Top 10 Maxwell Science Fair, 4th & 5th Grade Honor Roll, and recipients at each grade level for our three monthly awards. What a great way to end the week and the month!

During our monthly celebration 5th grade students provided an overview of a campaign that they are leading to provide relief for the animals of Australia. See this newsletter to learn how you can help.

February marks our entry into a month in which we highlight the importance of literacy. Additional information will be shared in the coming weeks about targeted activities and events that will occur at Maxwell.

The window for ordering yearbooks has opened. Please see in this newsletter an announcement from the PTA regarding how you may purchase a yearbook for your student.

Thank you for your partnership as we continue to strive to provide the best learning opportunities and outcomes for the students of Maxwell. We are excited for the continuation of this school year and all the possibilities that it brings because...*Juntos mejoramos el mundo.*

UPCOMING EVENTS

Monday, February 17: No School

Thursday, February 20: Peace for Parents (6:00 pm)

Friday, February 21: Book Fair Begins

Thursday, February 27: Literacy Night/4th Grade Fundraiser

Handbook Spotlight...

Dismissal: The school day officially ends at 2:35 p.m. Students who are parent pick-up will be released from the gym. Families will enter the gym through the rear door that is adjacent to the playground. Family members or designees will need to show their official car tag or a picture of the tag to enter the gym. If the family member or designee does not have the tag or picture, they will need to first stop by the office.

Please note that cars should not park in the bus lane or in front of the gates during afternoon/bus dismissal. We need to make sure that all buses have safely left the campus before any cars attempt to pull into these spots. Additionally, double-parking is not allowed.

Fifth Grade Australian Relief Project

Students in the 5th grade will be collecting money each morning in the front foyer to provide relief and support to the animals of Australia. Please consider donating funds to help them with their special service project.

WMAX News Show

The WMAX news program is produced weekly by students and features special interviews, reoccurring segments, and celebratory information. WMAX is presented each Friday to the entire school. Please take some time to watch the most recent episodes for this year! You can view the program by following this <http://bit.ly/maxwellshow19>. New shows are added weekly to the school's website and can be accessed from the front page.

Maxwell Escuela de Inmersión en Español is a learning community committed to: equity, proficiency for all, and Spanish language acquisition empowering students for success in a global society.

Maxwell Elementary, Escuela de Inmersión en Español, es una comunidad de aprendizaje comprometida con la igualdad, la competencia académica para todos y la adquisición de la lengua española con el fin de que sus alumnos tengan éxito en una sociedad global.

Peace for Parents

Elementary Age Development and Behavior

What is typical elementary age development and behavior?

How can I help my child navigate difficult emotions due to unexpected transitions or stress?

Learn the answers to these questions and more by attending this educational seminar.

David Houvenagel, LCSW.
Has years of experience working with children, adolescents, and adults in inpatient and outpatient settings.
