

# What is Title 1?

- It is a federal formula grant.
- It is the largest federal grant the Fayette County Public Schools receives.

# How Title 1 works

- The federal government provides funding to school districts each year.
- School districts identify schools that are eligible to receive funds.

# A Title 1 school works to:

- identify students most in need of educational help
- set goals for improvement
- measure student progress, according to KAS/CCR
- develop programs that add to regular classroom instruction
- involve parents in all aspects of the program

# Two types of Title 1 programs

- Schoolwide programs  
Schools with 40% or more of its children from low-income families can develop schoolwide Title 1 programs to serve all students. Schoolwide programs can combine Title 1 funds with federal, state, and local funds to improve school programs.
- Targeted assistance programs  
Schools with 35-39% of its children from low-income families can have a Targeted Assistance Program. These schools will work out a plan to make sure that children served by Title 1 meet KY's achievement standards. Targeted assistance programs cannot combine federal, state, and local funds.

# As a parent, you're part of the Title 1 team!

○ **The parent-school compact** states the goals and responsibilities of both parents and schools.

○ **The parent & family engagement policy** helps parents understand and take part in the school's efforts.

# The Leestown Way

## *Expectations For Students*

When reviewing the results of a 2012-2013 Guided Self-Study, something stood out. A high percentage of students said:

*"We don't treat each other with respect."*

*"We don't treat adults with respect."*

So our school decided to begin the Leestown Way. We want students to learn the correct behavior. We EXPECT students to practice "respect."

The Leestown Way is important because we want all Chargers to feel safe, happy, and valued at school.

We want all students to be able to focus on **LEARNING!**
