September 1, 2018

Leestown Middle School meets the communication needs of parents/guardians with limited English or disabilities in the following ways:

- Interpreters are available during the school day to assist parents/guardians and teachers. Interpreters are also present for conferences and meetings.
- School documents are translated in to Spanish as well as English.
- English Language Learner staff are available to assist parents/guardians, students, and teachers.
- Fayette County Public School Services offers programs and assistance for foreign language and people with disabilities.
- Our renovation has added additional handicapped parking spaces.
- School entrance is handicap accessible.
- Parents/Guardians and students have access to the Leestown Guidance Office and Youth Service Center.
- The Leestown Learning Compact is available in English and Spanish.
- The Leestown Students Handbook is available in English and Spanish.
- School, team and individual class correspondence is printed in English and Spanish.
