

## Title I Compact 2020-2021

### Principal's Statement

Millcreek Elementary School holds high expectations for every student. We strive to individualize instruction so each child can meet school, district, and state standards. We are also a Leader in Me school. Our focus is on helping students learn life-skills that will help them grow to be effective leaders in their own unique talent areas as well as everyday citizens. This means that each student learns and is expected to demonstrate the 7 Leader in Me habits shown below.

Habit 1: Be proactive

Habit 2: Begin with the End in Mind

Habit 3: Put First Things First

Habit 4: Think Win-Win

Habit 5: Seek First to Understand, Then to be Understood

Habit 6: Synergize

Habit 7: Sharpen the Saw

It is the belief of our school that a student is most successful when students, families, and school staff work together. This compact shows your commitment, as a parent or guardian, to be a partner with Millcreek's staff to assure your child succeeds in learning.

*Dr. Gregory E. Ross*

### Parent/Guardian Responsibilities

I will support my child by doing the following:

- Help support my child is learning the 7 Habits of Leader in Me
- See that my child attends school regularly and on time.
- Set aside a specific time to review and complete homework regularly.
- Check and sign parent communication daily.
- Read with my child and let my child see me reading regularly.
- Communicate with my child's teacher by attending conferences.
- Encourage my child to participate in extra academic support sessions if necessary as well as encourage my child to participate in leadership opportunities that are offered.
- Attend both teacher-parent conferences to receive report cards.
- Participate in school activities, such as family nights, PTA, student performances.

### Student Responsibilities

It is important that I work to do my best. So, I will do the following:

- Learn and demonstrate the 7 Habits of Leader in Me in my life
- Work to use my own special talents as a leader to help myself, my school, and my community.
- Come to school regularly, be on time and do my best academically.
- Be prepared for school each day with completed assignments.
- Follow school rules.
- Bring home all school papers.
- Read every day.
- Practice my math facts every day until proficient.

### Teacher Responsibilities

It is important that I teach so students learn. I will strive to do the following:

- Teach my students the 7 Habits of Leader in Me and demonstrate them as a role model
- Help my students discover their own unique talents and help them learn to be leaders by offering leadership opportunities to every child.
- Have high expectations for all students and teach them responsible behaviors that lead to success.
- Use a variety of ways to make learning meaningful and challenging for the students.
- Make my classroom welcoming and comfortable for students and parents.
- Communicate with parents frequently to explain their child's progress.
- Make recommendations to parents of additional help offered at school and things to do at home to help children succeed.
