

## **Enhancing Student Achievement Policy Crawford Middle School**

Crawford Middle School shall organize all instructional, technology use and other activities to be aligned with standards established in state laws and regulations, and in a manner consistent with local school board policy.

All programs at Crawford Middle School shall contribute to increased student achievement as measured by a variety of assessments including but not limited to the state assessment system, district approved universal screeners, and both summative and formative classroom assessments. Upon request of the school council, the principal or his designee shall report to the school council on how a designated program contributes to increased student performance. Actions taken by the school council, pursuant to these reports, shall be consistent with state laws and regulations and with local school board policy.

### **POLICY EVALUATION**

---

We will evaluate the effectiveness of this policy through our School Improvement Planning Process.
