

Policy on Curriculum

The curriculum at Cassidy Elementary shall:

1. help all students to master all of Kentucky's Core Content.
2. reflect the strategies adopted in our Comprehensive School Improvement Plan.
3. implement the Program of studies.
4. be aligned with Fayette County's Competency Assurance Documents.

The Curriculum Committee will review the curriculum on an annual basis and recommend necessary changes.

The principal shall oversee implementation of this policy by monitoring disaggregated student results, communicating with the principal of Morton Middle School and noting any changes that may occur in the Commonwealth Accountability Testing System.
