ASSIGNMENT OF CLASSIFIED INSTRUCTIONAL TIME POLICY

Date Adopted: August 5, 2014

Date Reviewed or Revised: June 3, 2014

PURPOSE

The purpose of this policy is to utilize classified personnel to meet the individual needs of students during instructional time.

POLICY STATEMENT

The Principal shall assign classified staff for instructional purposes in accordance with applicable Federal, State, and Board policies. Any variation in those assignments, where permissible by law or regulation, shall be made through consensus of those teachers whose students receive the services.

Any variations shall be made by the Principal by meeting with the teaching staff involved in the programs and the classroom teachers of the students involved. This group through consensus shall determine if variations as permitted by law or regulations are needed and will implement these changes.

Any variations shall be shared with the Council during its next scheduled meeting.
