

**Squires Elementary School
Lexington, Kentucky**

**Policy Number: 10.1
Multicultural Educational Policy**

Squires Elementary School is committed to ensuring a multicultural education to students through all programs and practices including curriculum development, professional development, and instructional practices. The multicultural approach shall be integrated into all subject/curriculum areas and throughout all school activities. In all plans developed multicultural education shall be considered including, but not limited to, primary grades, technology, and professional development. Instruction in all curriculum areas shall be comprehensive, nonbiased, and inclusive.
