

Russell Cave Elementary School
SBDM Council Meeting (Virtual)
February 22, 2021

Members present: Amber Catron, Emily Banks, Kelcie Hardy, Jessica Lykins,
Brandon King and Ann Wilson, Recording Secretary

1. Welcome to members
2. Approval of Agenda:
Motion: Banks
Second: Hardy
Council came to consensus
3. Comments: Today was the first "In Person" day for Kinder, 1st and 2nd graders. The kids were so excited to be back in the classroom. Went very well.
4. Minutes for January were not reviewed
5. Budget for January: EPES and Munis were reviewed
6. Staffing Update: We have had 2 positions open; Special Ed Para and a Long Term Sub to be in the building every day to help where needed and to sub if a teacher cannot secure a sub. We have 2 ladies in the building this week that we are evaluating.
7. In Person and Remote Learning Update: The original date to bring back Kinder, 1st and 2nd graders was February 16, 2021 but due to inclement weather it was pushed back until February 22, 2021. We had to make accommodations in order to service our in person and remote students. Roberts and Wheeler are teaching K-2 virtually while the regular homeroom teachers have the in person students. When 3rd, 4th and 5th return in person, Kraemer will be teaching Tier 1 and small groups virtually and the regular home room teachers will have the in person students. ESL and Special's Teachers will also assist.
8. Summer Learning Program: We would like to have a summer learning program. The program would be broken down into 3 sessions. Emily Banks (who will be the coordinator) reviewed the plan that must be submitted to the Board for approval. Emily will send out a survey to find out how many teachers are interested in helping. Will use our community partner resources and want our parents to be involved. Teachers will recommend students that would benefit from the program. The district has stated that they will support. The program will be in person.
Motion to have the summer program: King
Second: Lykins
Council came to consensus
9. Agenda for March:
In Person Update
Testing
Staffing Update

Meeting was adjourned.

Minutes were recorded and submitted by Ann Wilson, Recording Secretary
