We have hired a Special Ed Teacher and a Special Ed Para which were approved previously. The only position we presently have open is for an Instructional Para.
7. CSIP-Due Jan 1<sup>st</sup> but have already completed. This is not the year to re-write but to add on. Goals stayed the same. There were some percentage changes.
8. Map Testing: Was going to present Map Scores but program was not functioning properly. 3<sup>rd</sup> grade not finished with testing. There was a lot of growth in 1<sup>st</sup> and 2<sup>nd</sup> grades and 4<sup>th</sup> and 5<sup>th</sup>.
9. Galileo Testing: There has been growth and movement and that's what we want to see. Will do some tweaking to instruction based on results of Map and Galileo.
