GOOD NEWS REPORT:

The Carter Caves field trip was a success. About one-third of the sixth grade students attended. The staff at Carter Caves would love to have our students back for another visit. Ms. Bolt and Ms. Lockhart have started the meetings for the new FCA club; meetings are Friday mornings before school. They have had a good turnout. TCMS hosted the FCPS 6th grade honors band. Our Lacrosse team hosted a phone-a-thon fundraiser with great results. They were able to purchase personalized headgear, matching bags, and hoodies for the players.

BUDGET:

The council reviewed the school activity fund (SAF) and MUNIS (Section 6) accounts followed by general discussion. Mr. Thornsbury said he would provide more information on the negative balances.

YSC Two-Year Plan

Ms. Church shared the two-year plan for the Youth Service Center. Based on a survey that was sent out to families, Ms. Church identified the following areas of need: Academic Support, Health Services or Referrals to Health Services, Family Crisis and Mental Health Counseling, Substance Abuse Education and Counseling, and Career Exploration and Development. While the plan lists specific activities, things can be added to fit our needs as long as they fall under one of these five categories.
