

# Clays Mill Elementary School Directory 2018-2019

The PTA will be putting together a directory of students organized by homeroom teacher. This publication has proven to be a valuable tool for contacting parents and fellow students for such things as classroom assignments and activity information, homeroom parties, birthday parties, and PTA committee work.

To be included, please fill out the information below and return this form to your homeroom teacher by **Friday, September 7th**. Copies of the directory are available for purchase at a cost of \$2.00 each. If you choose to purchase a directory, paper clip or attach your payment to this form. Make checks payable to Clays Mill PTA.

The form **MUST** be signed in order to include your child's information in the directory. **You can provide as much or as little information as you like**. We will only print the information that you provide as long as the form is signed.

Please contact Cheri Aweimrin at [caweimrin@yahoo.com](mailto:caweimrin@yahoo.com) if you have any questions.
