

DIXIE MAGNET ELEMENTARY SCHOOL EXTRACURRICULAR PROGRAMS POLICY

CRITERIA FOR PROGRAMS

Extracurricular programs must:

1. Contribute to the following Kentucky Learning Goals:
 - Becoming a self-sufficient individual.
 - Becoming responsible members of a family, work group, or community, including demonstrating effectiveness in community service.
2. Generate and maintain student interest as well as attract students currently not involved in extracurricular or service projects.
3. Encourage, enhance, and maintain equity including but not limited to a wide range of opportunities for both male and female students.
4. Have a suitable adult sponsor and have appropriate adult supervision at all times.

STUDENT PARTICIPATION

Students will be eligible to participate in extracurricular activities if they:

1. Maintain a C or above average in all subject areas.
2. Comply with rules established by the adult coach or sponsor for the activity.
3. Attend school regularly.

Failure to meet any of the above will result in dismissal from all extra-curricular activities.

Once a student is dismissed, they have an opportunity for reinstatement. The student must demonstrate compliance in the eligibility requirements over time, and then the Principal, in collaboration with the activity sponsor, may allow the student to rejoin.

COACHES AND SPONSORS

Each extracurricular activity will be led by an adult coach or sponsor who meets any applicable requirements set in law, or by sponsoring or governing organizations. The coach or sponsor will be responsible for personally supervising or ensuring that all students are supervised by an adult while they are participating in an activity, including practice time and travel time where applicable. The sponsor shall:

- Maintain a list of participants, parent phone numbers, and mode of transportation home for each student;
- Send home a reminder to parents of the final meeting of the club/activity one week prior to completion.
- Give written notification to parents and principal of the cancellation of an activity at least one day in advance. Sponsors will provide this in the parent's primary language when possible.

POLICY EVALUATION

We will evaluate the effectiveness of this policy annually in SBDM committees.
