

**A School Wide Title I Program  
Family-School Learning Compact  
Dixie Magnet Elementary School**

**2019-2020**

The Title I Program in Fayette County has been federally funded since 1965 (Elementary and Secondary Education Act). Its primary goal is to enable schools to provide opportunities for children to acquire the knowledge and skills contained in Kentucky's Learning Goals. Our school wide Title I program at Dixie Magnet Elementary School, helps to ensure your child's academic success. Key components of our program include family involvement, professional development, effective parent communication and financial resources to address the needs of our students.

**Parent/Guardian Responsibilities**

I want my child to achieve, so I will encourage my child by doing the following:

- Support school staff on my child's good behavior and academic effort;
- Sign and return all papers that need a signature;
- Attend parent conferences and communicate with my child's teacher on a regular basis;
- Read to and with my child regularly and provide encouragement; and
- Make sure my child does all homework and returns it to the teacher.

- ~~Have high expectations and believe that all students can learn;~~
- Provide high quality instruction in a safe environment;
- Provide a variety of learning opportunities for students to learn in different ways; and
