

What is Title 1?

🐾 It is a federal formula grant.

🐾 It is the largest federal grant the Fayette County Public Schools receives.

How Title 1 works...

 The federal government provides funding to school districts each year.

 School districts identify schools that are eligible to receive funds.

A Title 1 school works to:

- 🐾 Identify students most in need of educational help
- 🐾 Set goals for improvement
- 🐾 Measure student progress, according to KAS/CCR
- 🐾 Develop programs that add to regular classroom instruction
- 🐾 Involve parents in all aspects of the program

Two types of Title 1 programs

Schoolwide programs (James Lane Allen)

Schools with 40% or more of its children from low-income families can develop schoolwide Title 1 programs to serve all students. Schoolwide programs can combine Title 1 funds with federal, state, and local funds to improve school programs.

Targeted assistance programs

Schools with 35-39% of its children from low-income families can have a Targeted Assistance Program. These schools will work out a plan to make sure that children served by Title 1 meet KY's achievement standards. Targeted assistance programs cannot combine federal, state, and local funds.

As a parent, you're part of the Title 1 team!

 The parent-school **compact** states the goals and responsibilities of both parents and schools.

 The parent and **family engagement policy** helps parents understand and take part in the school's efforts.
