CURRICULUM POLICY

The school council shall adopt the curriculum of the Fayette County Public Schools (FCPS) Board of Education as the curriculum that shall be implemented at the school. This curriculum is aligned with state standards, is age and developmentally appropriate for the students in our school, and meets our instructional needs. Subsequent amendments to the curriculum by the FCPS Board of Education shall become effective immediately upon approval by the Board.

The school council shall ensure that the school provides a program that provides extended learning time and is used based on student needs.

The school shall participate in discussions about key transition points from elementary to middle school and middle school to high school. The school faculty and staff will work together with the elementary and high school faculty and staff to aid in transitions between schools.
