MULTICULTURAL EDUCATION

Beaumont Middle School is committed to reducing barriers to student learning based on racial or cultural heritage. Multicultural education shall be based on the premise that pluralism is a reality in our society, and that equality is a basic ideal of democracy and a requirement of the U.S. Constitution.

To this end, the curriculum has been KERA-aligned and integrates multicultural concepts and perspectives. Selection of instructional material and resource materials in the media center shall reflect the contributions to society made by diverse ethnic populations. Instruction in all curriculum areas shall be accurate, comprehensive, non-biased and inclusive.
