

September 2019

Dear Fayette County Public School Family:

The Fayette County Public School district is committed to providing a world class education for your child. We are working hard to ensure that every child in our district reaches high levels of academic excellence.

Time and again, research has shown that one of the most important factors in your child's academic success is the classroom teacher. By now, I hope you have had a chance to meet your child's teacher or teachers and discuss the academic expectations and experiences your child will have this year. I would encourage you to keep the lines of communication open throughout the year and regularly talk about your child's progress.

Our district receives money designed to help schools with high concentrations of low income children under the federal *Every Student Succeeds Act (ESSA)*. This federal law gives every parent the right to request information about qualifications of your child's teacher or teachers. Information about your child's teacher can be obtained two ways. One way is to visit the Kentucky Education Professional Standards Board Web site at www.kyepsb.net, click on "Check Educator Credentials," and then follow the directions at that site. Another way is to request this information by contacting Jennifer Dyar, Director, Human Resources by email at Jennifer.dyar@fayette.kyschools.us.

Thank you for your interest and involvement in your child's education. We look forward to working closely with you this year to make sure your child is successful.

Sincerely,

Rebecca Puckett
