September 13, 2018

Northern Elementary meets the communication needs of parents/guardians with limited English or disabilities in the following ways:

- Provide translators for Fall and Spring conference Nights
- Translate important school information in native language for non-English speaking families
- School special education facilitator on staff who can explain educational programs, plans and services to families of children with disabilities

Northern Elementary meets the physical, social, and emotional needs of parents/guardians with limited English or disabilities in the following ways:

- Host monthly Spanish-speaking Parent Involvement group
- Counseling and social work services for all students
- School is handicap-accessible
- School nurse is available two days/week

Sincerely,

Meredith Ramage
Principal
