## REPORT CARDS AND PROMOTION TO THE NEXT GRADE

As we did last year, we will not mail home a final report card. Parents and students are able to view final cards in the Infinite Campus Parent Portal (see Important Link section below). If you need a printed report card, please request one from your grade level counselor, and we will make it available for pick up in the front office.

We have had several questions about retention. If you have not heard from me about retention, your child has been promoted to the next grade.

## SUMMER IGNITE

Registration for Summer Ignite has officially closed, and unfortunately, we cannot take any more students at this time.

## PLACEMENT LETTERS AND TESTING INFORMATION

Placement letters for the 2021-2022 school year will be mailed next week. If your student was enrolled in an ALP course during the 2020-2021 school year, they will continue in the next accelerated course for the 2021-2022 school year. For example, if you student was accelerated in 7<sup>th</sup> grade language arts and social studies, they will be accelerated in the same courses for 8<sup>th</sup> grade.

The Accelerated Learning Program (ALP) offers advanced level courses to students who qualify in Language Arts, Math, Science and/or Social Studies. Our program is structured to allow a student to take accelerated courses in the class(es) they demonstrate a significant strength, rather than an "all or nothing" approach. ALP placement is determined by multiple measurement criteria including MAP, KPREP, GT, IOWA, CogAT, as well as our own EJH placement test. If your student does not yet qualify for ALP classes and you would like them to take our placement test, please register to attend one of our June testing dates.
