2020-21 Phase Three: Professional Development Plan for Schools

2020-21 Phase Three: Professional Development Plan for Schools

The purpose of this diagnostic is to support the school in designing and implementing a professional development plan that aligns to the goals established in KRS 158.6451 and the local needs assessment. The basis of the professional development plan aligns to [704 KAR 3:035](#), which states the following:

Annual Professional Development Plan:

Section 2. Each local school and district shall develop a process to design a professional development plan that meets the goals established in KRS 158.6451 and in the local needs assessment. A school professional development plan shall be incorporated into the school improvement plan and shall be made public prior to the implementation of the plan. The local district professional development plan shall be incorporated into the district improvement plan and posted to the local district Web site prior to the implementation of the plan.

Section 3. Each school and local district professional development plan shall contain the following elements:

1. A clear statement of the school or district mission
2. Evidence of representation of all persons affected by the professional development plan
3. A needs assessment analysis
4. Professional development objectives that are focused on the school or district mission, derived from the needs assessment, and specify changes in educator practice needed to improve student achievement; and
5. A process for evaluating impact on student learning and improving professional learning, using evaluation results

1. What is the school's mission?

The mission of Edythe J. Hayes Middle School is to engage all learners in a safe and nurturing environment that fosters academic excellence and develops responsible, respectful leaders and citizens.

2. The needs assessment provides the framework for **all** schools to clearly identify their most critical areas for improvement that will be addressed in the planning process through the development of goals, objectives, strategies and activities.

Based on the most critical areas for improvement identified in the completed needs assessment per [703 KAR 5:225](#) (3), what are the school's **top two priorities** for professional development that support continuous improvement?

1. Instructional strategies for students with disabilities
2. Instructional strategies for English Language Learners

3. How do the identified **top two priorities** of professional development relate to school goals?

Goal 3- Achievement Gap, Objective 1: The percentage of special education students scoring novice in reading on KPREP will decrease from 60.5% in 2019 to 57.5% in 2021 as measured by KPREP. Goal 3- Achievement Gap, Objective 2: The percentage of special education students scoring novice in math on KPREP will decrease from 49.4% in 2019 to 46.4% in 2021 as measured by KPREP. Goal 4- Growth, Objective 2: The ELL growth indicator will increase from 75.9 in 2019 to 81.5 in 2021.

4a. For the first priority need, what are the specific objectives for the professional development aligned to the school goal(s)? Consider the long and short term changes that need to occur in order to meet the goal.
