

Arlington Elementary Advisory Committee Minutes

September 23, 2019

Good News Report:

- Students seem to be adjusting well to the year
- Feedback from district was very complimentary

Student Achievement Data:

A. Academic (achievement and growth)

- MAP window not closed yet
- MAP data by grade level and school will be shared out in October

B. Attendance

-

C. In/ out of school Suspension

- Won't have data until the end of September.
- This will be shared out at the end of October

Budget:

- Additional intermediate teacher has been added
- Additional teacher and .5 para (additional teacher will be used as an additional RTI)
- .5 para will be bumped up to .7 position
- Student count up

New Accountability System:

- Overall index score to indicate your star
- Still going to get your three scores those will be used to help indicate your overall
- Accountability out of 100
- Gap indicators can change your Star rating
- 0-45.0 Federal Classification CSI
- Indicators proficiency, separate, growth
- Growth points awarded- no growth / dropped zero points
- Proficiency and growth highest weights for the system

CSIP:

- Leadership team will start the process
- It will pretty much stay the same (Turn Around plan)
- Changing data to go in it
- Strategies and what was worked on last year will stay the same

Family Engagement:

- FACE- Family & Community Engagement
- School is creating a new room for families to come and get resources/workshops for support
- FACE will be once a month
