

What is Title 1?

- It is a federal formula grant.
- It is the largest federal grant the Fayette County Public Schools receives.

How Title 1 works

- The federal government provides funding to school districts each year.
- School districts identify schools that are eligible to receive funds.

A Title 1 school works to:

- identify students most in need of educational help
- set goals for improvement
- measure student progress, according to KAS/CCR
- develop programs that add to regular classroom instruction
- involve parents in all aspects of the program

Two types of Title 1 programs

- **Schoolwide programs**
Schools with 40% or more of its children from low-income families can develop schoolwide Title 1 programs to serve all students. Schoolwide programs can combine Title 1 funds with federal, state, and local funds to improve school programs.
- **Targeted assistance programs**
Schools with 35-39% of its children from low-income families can have a Targeted Assistance Program. These schools will work out a plan to make sure that children served by Title 1 meet KY's achievement standards. Targeted assistance programs cannot combine federal, state, and local funds.

As a parent, you're part of the Title 1 team!

- **The parent-school compact** states the goals and responsibilities of both parents and schools.
- **The parent & family engagement policy** helps parents understand and take part in the school's efforts.
