1. **Agenda Approval**—Agenda was submitted and reviewed by council. Robert Wilkirson moved to approve and Shayna Langston seconded. Approved by consensus.
2. **Staffing**—Sabrina Adkins reviewed the spring allocation; she also explained how to read the chart for new SBDM members. New allocation is \$37,076 and Adkins presented three possible scenarios to spend it. After much discussion by members and kindergarten teachers, all members agreed unanimously on Scenario 2 with the exception being is that if the new kindergarten applicants are not a good fit, they will move toward Scenario 3. Although hiring another kindergarten teacher does not benefit the entire school, it will benefit this year’s kindergarten students for their education at Squires as a whole. Kindergarten teachers will be able to spend more time with each student by reducing the classroom sizes from 27-28 to 20.
3. Scenario 2 and 3 outlined below.
  - a. **Scenario 2**-hiring one kindergarten teacher, adding 10 days to PGE Coach, adding .2 for Reading Intervention, and adding 5 additional hours to the bookkeeper.
  - b. **Scenario 3**-hiring one kindergarten assistant, adding 10 days to PGE Coach, adding .2 for Reading Intervention, and adding 5 additional hours to the bookkeeper.

Meeting adjourned at 1:02p
