

## **SBDM Meeting--Squires Elementary**

Monday, August 29, 2022 @ 3:00 pm; a quorum was established and Ms. Adkins called the meeting to order.

**Members in Attendance:** Sabrina Adkins - Principal  
Shayna Langston - Teacher  
Beth Garner - Teacher  
Whitney Townsend – Teacher  
Gretchen Walther-Parent

1. **Agenda Approval**—Agenda was submitted and reviewed by council.
2. **Day 4 Staffing Allocations**- Allocations were reviewed, noting the positive difference of a 1.0 primary teacher, 0.5 intermediate teacher, and a .5 kindergarten para. The special education staffing increased by one MSD para-educator. The balance of the staffing workbook from spring SBDM staffing decisions was shared with \$29,551 being owed. The difference of the Day 4 allocations and the negative balance of workbook leaves \$81,703 to be used for student achievement needs. Grade level and class enrollments were reviewed with it being noted that 3<sup>rd</sup> grade was over the recommended capacity size of 24. Staff of that grade level and all other grades had been asked what student achievement needs had been identified. These included additional support for ELL students based on 3<sup>rd</sup> and first grade input and the need to provide additional intervention for students in 2<sup>nd</sup> graders and 3<sup>rd</sup> graders, as well as any others who show a need from the fall MAP testing. After additional discussion about various scenarios Council unanimously recommended to cash in the positions allocated at Day 4, cover the balance of the workbook and then use the \$81,703 to purchase:
  - A .4 ELL teacher with the recommendation to make the .6 position a 1.0 for Squires if the district will allow the current .6 teacher to become a 1.0.

- A 1.0 intervention teacher to provide for additional intervention needs in the content areas of both math and reading.

Consultation on hiring of Tammy Altschul (2<sup>nd</sup> grade assistant), Adrian Levisohn (certified permanent substitute), Alison Mims (classified substitute), and Penny Bass (Early Start para) occurred.

Meeting adjourned at 4:25 p.m.
