1. Opening Business

- a. The Special Called Meeting was called to order at 5:32.
- b. The Council approved the Agenda at 5:35.

2. Targeted Services Plan

- a. Dr. Fine discussed options for Targeted Services Plus. She presented a database of all of the students in school. This database orders students with the greatest amount of risk factors to the least amount of risk factors.
- b. Dr. Fine proposed that students with a risk factor score of 15 or higher be the students who are targeted for Targeted Services Plus including our preschool students and students already receiving targeted services. Dr. Fine presented option for servicing these students.
- c. The Council discussed the following Targeted Services plan. During Targeted Services Plus, the targeted students with risk factors of 15 or higher (about 97 students) will be invited to come to the building from 2:00 – 4:00 on Monday, Tuesday, Thursday, and Friday. These students would be put into groups of 7 – 10 students to receive reading and math instruction, work habits support, and help with completing class assignments. Pre-school students would be divided into two cohorts with each cohort only coming two days a week, but still coming from 2:00 – 4:00. This Targeted Services plan will begin November 9 and end on December 11. On December 14, Kindergarten students will be brought in for an orientation week to help with the transition to potential return to in person learning in January. Dr. Fine will contact the district to ask if our kindergarten students would be able to come from 7:30 – 9:30 in addition to the targeted students coming from 2:00 – 4:00. If the district allows this plan, the preschool students would not come from 2:00 – 4:00 and

would come during the 7:30 – 9:30 time, still only coming two days a week in two cohorts.

- d. Leslie Busch made the motion to move forward with the Targeted Services Plus plan as discussed. Lucy Waterbury seconded the motion and the rest of the council was in consensus.
- e. The meeting was adjourned at 6:58.
