

Class Rank Policy

1. Paul Laurence Dunbar does not calculate or report rank of students in any method. All reports to colleges or scholarships will be "School does not rank."
2. Changes the school profile to include information regarding the no rank policy.
3. Includes in the school profile information regarding the typical or average weighted GPA's for the top half of the class. (i.e.: For the past 5 years, the typical weighted GPA ranges are as follows: top 10% ...top 20%...top 30%...)
4. The school will continue the use of a weighted grading system for all weighted classes.
