

5th Grade NTI Schedule

Students will remain with their homeroom teacher for the first few weeks of NTI. Once we feel students are comfortable with NTI expectations and their online environments, we will begin the transition of having students switch teachers for core classes (more info. to come). **The main takeaway** for now, is have your child log in at 8:15. You will be able to find meeting information in our Google Classroom..

*Specials classes will begin Oct. 5th.
