

# Bulldog Bulletin

**Week of February 22nd, 2021**

Dear Mary Todd families,

In-person instruction began this week for our students in Kindergarten through 2<sup>nd</sup> Grade. It was so fulfilling to see teachers and students back in the building. This was a tremendous first week of school. Despite all the challenges brought on by the pandemic, our students, families and Mary Todd staff have continued to work together, and we are back to some sense of normalcy.

Students are adjusting nicely to the changes implemented to keep them healthy at school. We will continue to be vigilant to ensure everyone is as safe as possible. We are stressing social distancing, hand hygiene and proper mask wearing along with our temperature checks.

Parents, please remember that neck gaiters are not permitted, and a two-layer mask should be worn by students. Also, be sure to check the fit of your student's mask. Some of the smaller students have adult sized masks which do not stay up properly to cover the nose and mouth. Adjusting the ear loops or finding a smaller mask may help keep the mask in place better during the day.

## Parent Reminders

- 1. Our 3<sup>rd</sup> – 5<sup>th</sup> Grade students will return on Wednesday March 3<sup>rd</sup>. Please do not send them before that date.**
2. If your student requires medication while at school or needs to have a prescription refilled, please call the clinic @ 859-381-3012 to arrange an appointment. Parents, please make every attempt to have those medications at school before Wednesday so we can plan for the correct number of students.
3. Please make sure that you child has a mask that fits properly and please have them practice wearing their mask for extended periods of time.
4. Students should have school supplies for at-home and a set of materials they can leave at school to be prepared for any scenario that may occur. Charge their Chromebook every night.
5. Please make sure that we have the most recent contact information for your family. If your phone number, or e-mail addresses has changed please notify our registrar Maria Abbott by calling 859-381-3512 or by email at: [Maria Abbott](#)
6. Remember the doors open @ 7:55 am. The tardy bell rings at 8:25 am and school dismisses @ 3:15 pm.

## COVID-19 Reporting

A new emergency order from the state requires that beginning **Monday, September 28**, all families must report if their child tests positive for COVID-19 within 24 hours of receiving the test results. The district is then required to report numbers of positive cases and numbers of quarantines to the state, regardless of whether we are learning virtually or back on campus.

To make things easier for families, FCPS has established a COVID-19 reporting team to collect all information confidentially and ensure accurate and transparent reporting. If your child tests positive for COVID-19, all you have to do is dial 859-381-FCPS (3277), or email your name and phone number to :

[covid19@fayette.kyschools.us](mailto:covid19@fayette.kyschools.us).

The FCPS reporting team will then complete the required process. Please note that the online link is available in multiple languages.
