

Sandersville NTI Weather Day Plan

When Fayette County Public Schools announces school is closed because of weather conditions, students will follow the expectations below for NTI Weather Days.

NTI Weather Day

- Each homeroom teacher will establish a Google Classroom and ensure all students are connected. Assignments will be posted in the Google Classroom.
- Teachers will be available to answer questions via email, Zoom, or Dojo.
- Students will work independently, or with minimal to moderate assistance, to complete assignments in reading, math, special areas and other subjects. Students will also need to complete 60 minutes of Imagine Learning:
 - **Primary (Kindergarten, First Grade, and Second Grade) Student Work:**
 - Approximately 60-75 total minutes of reading and math asynchronous work
 - Special Area Menu (choose 1 activity)
 - 30 minutes Imagine Learning Math, 30 minutes Imagine Learning Language and Literacy
 - **Intermediate (Third Grade, Fourth Grade, and Fifth Grade) Student Work:**
 - Approximately 90 total minutes of reading, math, and Social Studies/Science asynchronous work
 - Special Area Menu (choose 1 activity)
 - 30 minutes Imagine Learning Math, 30 minutes Imagine Learning Language and Literacy

Office Hours

Office hours for Sandersville Elementary:

- 8:30 AM - 10:30 AM for live support
- All certified teachers, including special area teachers, English Learner teachers, Gifted and Talented teachers and interventionists will hold office hours.
- Teachers will check email and Google Classrooms throughout the day to provide additional support or feedback.

Participation

Participation, not attendance, will be tracked. Students must make an effort to complete their assignments to receive participation credit for the day.
